****COVID-19 IMPACT: The International Bureau remains in full operation. However, given the increase in unreliability of postal systems worldwide and to ensure prompt communication with applicants and agents, the International Bureau is obliged to stop sending PCT Forms and any other documents by postal mail until further notice. All PCT Forms and any other documents from the International Bureau (including as receiving Office) will be sent by email only. The International Bureau strongly encourages applicants and agents to make submissions exclusively through available electronic means explained below and avoid sending them by postal mail.****

Please find attached a notification from the International Bureau. This is an automated e-mail; please do not use the "Reply" e-mail function.

If you have been invited to submit correspondence or documents to the International Bureau, we recommend that you upload them as PDF documents via ePCT, WIPO's secure online service at https://pct.wipo.int/epct, a convenient alternative to using fax or postal mail.

Document upload is available after you create a WIPO account and simply sign in with your username and password. For further details please refer to the 'Getting started' instructions link -

http://www.wipo.int/pct/en/epct/learnmore.html?N=588 on the ePCT Support page, followed by 'Action - Upload Documents when signing in without strong authentication' link - http://www.wipo.int/pct/en/epct/learnmore.html?N=820.

If you add strong authentication to your account, such as a one-time password generated either by a standard app (for example Google Authenticator) on your mobile phone or sent by text message (SMS), you can benefit from all ePCT functionality: In addition to uploading documents, you are able to file new applications, request access to your existing applications, perform different Actions, download documents, monitor deadlines, view the expected publication date etc.

For further details please refer to the material available via the 'Support' link - https://pct.eservices.wipo.int/direct.aspx on the ePCT portal.
