- (i) certified copies of the Certificate of Incorporation, the Certificate of Incorporation on Change of Name and the Memorandum and Articles of Association of the Company,
- (ii) a copy of the written resolutions of the sole director of the Company passed on 15th February, 2001 and the corporate records of the Company maintained at its registered office in the Cayman Islands as at the date hereof,
- (iii) a copy of the Assignment with Representation and Power of Attorney (the "Power of Attorney") dated 17th November, 2000 and entered into by the Company, Andrew van Schaack and Andrew Smith Lewis,

The following opinion is given only as to circumstances and matters of fact existing on the date hereof and known to us and as to the laws of the Cayman Islands as the same is in force at the date hereof. In giving this opinion, we have relied as to certain factual matters described therein upon the accuracy (and assumed the continuing accuracy as at the date hereof) of the

- (d) there is nothing under any law (other than the laws of the Cayman Islands) which would or might affect the opinions hereinafter appearing, specifically, we have made no independent investigation of the laws of Columbia

Based upon and subject to the foregoing, the observations herein and having regard to such legal considerations as we deem relevant, we are of the opinion that

- 1 The Company is a limited liability company duly incorporated on 12th May, 2000, validly existing and in good standing under the laws of the Cayman Islands with full corporate power and authority to own its own property and assets and to carry on its business in accordance with its Memorandum and Articles of Association

- 4 The Power of Attorney has been duly authorised and executed by Joseph R Keating by and on behalf of the Company

Except as specifically stated herein, we make no comment with regard to any representations which may be made by the Company in any of the documents referred to above or otherwise or with regard to the commercial terms of the said documents
