ASSIGNMENT FOR PROVISIONAL APPLICATIONS

WHEREAS, we, the undersigned,

Bernardus N M Machielse, resident of North Potomac, MD;

Bharat M. Mehta, resident of Mendham, NJ;

Timothy J. Maines, resident of Potomac, MD;

Gerald Wisler, resident of Windermere, FL;

Michael Davidson, resident of Highland Park, IL

have invented certain new and useful improvements in "PROCESS FOR PREPARING PHARMACEUTICAL COMPOSITION OF POLYUNSATURATED FATTY ACIDS IN FREE ACID FORM" and "COMPOSITIONS AND METHODS COMPRISING OMEGA-3 POLYUNSATURATED FATTY ACIDS IN FREE ACID FORM", as described in the provisional patent applications set forth on Schedule A attached hereto (hereinafter collectively termed "Applications");

WHEREAS, OMTHERA PHARMACEUTICALS, INC. (hereinafter termed "Assignee"), a corporation of the State of Delaware, having a place of business at 707 State Road, Princeton, NJ 08540, desires to acquire our entire right, title and interest in and to said Applications and the inventions disclosed therein, and in and to all embodiments of the inventions, heretofore conceived, made or discovered by us (all collectively hereinafter termed "said Invention"), and in and to any and all patents, inventor's certificates and other forms of protection (all collectively hereinafter termed "patents") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration, receipt and sufficiency of which is acknowledged by us to have been received in full from said Assignee:

1. We do hereby sell, assign, transfer and convey unto said Assignee, our entire right, title and interest (a) in and to said Applications and said Invention; (b) in and to all rights to apply for US utility applications claiming priority benefit to said Applications pursuant to 35 U.S.C. § 119(e); (c) in and to all rights to apply for foreign patents on said Invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (d) in and to any and all applications filed and any and all patents granted on said Invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (e) in and to each and every reissue or extensions of any of said patents.

2. We hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by us shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said Applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by us in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon us, our respective heirs, legal representatives and assigns.

4. We hereby warrant and represent that we have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

IN WITNESS WHEREOF, we have executed and delivered this instrument to said Assignee

ASSIGNMENT FOR PROVISIONAL APPLICATIONS

WHEREAS, we, the undersigned,

Bernardus N M Machiels, resident of North Potomac, MD;

Bharat M. Mehta, resident of Mendham, NJ;

Timothy J. Maines, resident of Potomac, MD;

Gerald Wisler, resident of Windermere, FL;

Michael Davidson, resident of Highland Park, IL

have invented certain new and useful improvements in "PROCESS FOR PREPARING PHARMACEUTICAL COMPOSITION OF POLYUNSATURATED FATTY ACIDS IN FREE ACID FORM" and "COMPOSITIONS AND METHODS COMPRISING OMEGA-3 POLYUNSATURATED FATTY ACIDS IN FREE ACID FORM", as described in the provisional patent applications set forth on Schedule A attached hereto (hereinafter collectively termed "Applications");

WHEREAS, **OMTHERA PHARMACEUTICALS, INC.** (hereinafter termed "Assignee"), a corporation of the State of **Delaware**, having a place of business at **707 State Road, Princeton, NJ 08540**, desires to acquire our entire right, title and interest in and to said Applications and the inventions disclosed therein, and in and to all embodiments of the inventions, heretofore conceived, made or discovered by us (all collectively hereinafter termed "said Invention"), and in and to any and all patents, inventor's certificates and other forms of protection (all collectively hereinafter termed "patents") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration, receipt and sufficiency of which is acknowledged by us to have been received in full from said Assignee:

1. We do hereby sell, assign, transfer and convey unto said Assignee, our entire right, title and interest (a) in and to said Applications and said Invention; (b) in and to all rights to apply for US utility applications claiming priority benefit to said Applications pursuant to 35 U.S.C. § 119(e); (c) in and to all rights to apply for foreign patents on said Invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (d) in and to any and all applications filed and any and all patents granted on said Invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (e) in and to each and every reissue or extensions of any of said patents.

2. We hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by us shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said Applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by us in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon us, our respective heirs, legal representatives and assigns.

4. We hereby warrant and represent that we have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

ASSIGNMENT FOR PROVISIONAL APPLICATIONS

WHEREAS, I, the undersigned,

Peter Ralph WOOD, resident of County Durham, United Kingdom,

have invented certain new and useful improvements in "Process For Preparing Pharmaceutical Composition Of Polyunsaturated Fatty Acids In Free Acid Form" and "Compositions And Methods Comprising Omega-3 Polyunsaturated Fatty Acids In Free Acid Form", as set forth on Schedule A attached hereto (hereinafter collectively termed "**Applications**");

WHEREAS, **Chrysalis Pharma AG** (hereinafter termed "**Assignee**"), a Swiss corporation having its registered place of business at c/o Buetler Legal GmbH, Chilchgasse 8, 6072 Sachseln, Switzerland, is the successor-in-interest to PVT Polyver Trust AG, a corporation duly established under the laws of Switzerland with then-registered office at c/o Buetler Legal GmbH, Chilchgasse 8, 6072 Sachseln, Switzerland, which is the successor-in-interest to Tillotts Pharma AG, a Swiss company with then-registered office Hauptstrasse 27, 4417 Ziefen, Switzerland ("**Tillotts**"), with respect to all inventions made by me during the term of a Consulting Agreement by and between myself and Tillotts dated April 15, 2003 ("**Consulting Agreement**") and that relate to omega-3 polyunsaturated fatty acid compositions and methods for synthesis and purification thereof, and Assignee desires to perfect legal title in and to any and all such inventions; and

WHEREAS, Assignee desires to acquire my entire right, title and interest in and to said Applications and the inventions disclosed therein, and in and to all embodiments of the inventions heretofore conceived, made or discovered by me (all collectively hereinafter termed "**said Invention**"), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "**Patents**") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration, receipt and sufficiency of which is acknowledged by me to have been received in full from said Assignee:

1. I hereby confirm that I have transferred, assigned and delivered and do hereby irrevocably transfer, assign and deliver unto Assignee, as successor-in-interest to Tillotts, my entire right, title and interest in and to any said Invention made during the term of the Consulting Agreement.

2. I do hereby sell, assign, transfer and convey unto said Assignee, and Assignee accepts, my entire right, title and interest (a) in and to said Applications and said Invention; (b) in and to all rights to apply for US utility applications claiming priority benefit to said Applications pursuant to 35 U.S.C. § 119(e); (c) in and to all rights to apply for foreign patents on said Invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (d) in and to any and all applications filed and any and all patents granted on said invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (e) in and to each and every reissue or extensions of any of said patents.

3. I hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by me shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by me in providing such cooperation shall be paid for by said Assignee.

4. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon me, my respective heirs, legal representatives and assigns.
