REPRESENTACION

REPRESENTATION

Yo (nosotros), abajo firmado (s)/I (we), the undersigned

MERIAL INC.

domiciliado (s)
en/of

3239 Satellite Blvd., Duluth, Georgia 30096

Por el presente nombramos a CAVELIER ABOGADOS, sociedad colectiva constituida de conformidad con las leyes de la República de Colombia, mediante Escritura Pública No. 6233 del 10 de septiembre de 1974, otorgada en la Notaría Sexta del Circulo de Bogotá, domiciliada en Bogotá D.C., con matrícula mercantil No. 00820237 y NIT 860041367-3, domiciliada en la Carrera 4a N° 72-35, Bogotá, Colombia, como nuestra representante en todos los asuntos de Propiedad Industrial, con facultad para recibir notificaciones y nombrar apoderados judiciales o extrajudiciales.

CAVELIER ABOGADOS también podrá representarnos, con las mismas facultades arriba indicadas, ante cualesquiera entidades o personas, ejerzan o no jurisdicción, autoridades administrativas o jurisdiccionales, tribunales de arbitramento, en asuntos de naturaleza civil, comercial, penal, constitucional, competencia, competencia desleal, administrativa, contencioso administrativa, protección del consumidor, variedades vegetales, nombres de dominio, oposiciones u observaciones, cancelación administrativa y judicial, nulidad, medidas cautelares, concesión de licencias, acciones de tutela, la protección de secretos industriales, derecho regulatorio y en general para que nos represente en cualesquiera acciones y procesos que promovamos o se nos promuevan.

Do hereby appoint CAVELIER ABOGADOS, a general partnership organized under the laws of the Republic of Colombia by means of Public Deed No. 6233 of September 10, 1974, granted at Notary Sixth of the Bogota Circuit, domiciled in Bogota D.C., with Mercantile Registration No. 00820237 and Taxpayer Identification Number 860041367-3, domiciled at Carrera 4a N° 72-35, Bogota, Colombia, as our representative for all Industrial Property matters with faculty to receive notifications and appoint attorneys in and out of Court.

CAVELIER ABOGADOS may also represent us, with the same faculties stated above, before any entities or persons, with or without jurisdiction, administrative or jurisdictional authorities, courts of arbitration, in civil, commercial, criminal, constitutional, competition, unfair competition, administrative, administrative contentious, consumer protection, plant varieties, domain names, opposition or observation matters, administrative and Court cancellation, nullity, precautionary measures, licensing, action for writ mandamus, protection of trade secrets, regulatory law and in general represent us in any actions and suits instituted by us or against us.

© CAVELIER ABOGADOS

La representante podrá, en nuestro nombre, designar apoderados para actuar ante autoridades administrativas y judiciales, por vía extrajudicial y también procesalmente en nuestro nombre, como demandantes, como demandados, como litisconsortes, como agentes oficiosos, como terceros, por llamamiento en garantía o como intervinientes ad excludendum. Dentro de esta autorización, la representante podrá facultar a los apoderados que ella designe para transigir, conciliar, admitir los hechos del proceso, desistir, cancelar, recibir, renunciar y sustituir el poder que se le otorgue. Así mismo, la representante tendrá la facultad para revocar el poder así otorgado en el momento que considere pertinente. La representante en todo caso podrá ratificar los actos de agentes oficiosos.

The representative may, in our name, designate attorneys to act before administrative and judicial authorities, through out-of-court channels, and also procedurally in our name as plaintiff, defendant, joint litigant, representative without power of attorney, third party, when summoned to appear in court or as intervener ad excludendum. Under this authorization, the representative may empower the attorneys appointed thereby to compromise, conciliate, admit the facts of the case, desist, cancel, receive, resign and substitute the power of attorney granted thereto. Likewise, the representative shall have the faculty of revoking the power of attorney thus granted at any time it may deem convenient. The representative may in any case ratify the acts of representatives without a power of attorney.

ASSIGNMENT AGREEMENT

This Assignment is made and entered into by and between

Merial Limited

a company limited by shares registered in England and Wales (registered number 3332751), with a registered office at PO Box 327, Sandringham House, Sandringham Avenue, Harlow Business Park, Harlow, Essex CM19 5QA, England, and domesticated in Delaware, USA as Merial LLC with an office at 3239 Satellite Boulevard, Duluth, Georgia 30096.

hereinafter referred to as "**Assignor**"

and

Merial, Inc.

a Georgia corporation, having its principal place of business at 3239 Satellite Boulevard, Bldg. 500, Duluth, Georgia 30096 USA, on behalf of itself and any of its subsidiaries and/or Affiliates

hereinafter referred to as "**MERIAL**"

being the proprietor of certain improvements in the international application as indicated in the attached Exhibit "A" for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assign unto **MERIAL**, its successors and assigns (1) the entire right, title and interest in all countries throughout the world in and to any and all of the inventions and discoveries in the United States utility patent application and International Patent Application, filed under the Patent Cooperation Treaty in the United States Receiving Office (RO/US), designating all PCT member countries/states, as well as in any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefore; (2) the full and complete right to file patent applications in the name of **MERIAL**, or their designee's election, on the aforesaid inventions, discoveries and applications in all countries of the world; (3) the entire right title and interest in and to any Letters Patent which may issue on the aforesaid inventions, discoveries and applications in any country of the world and any renewals, revivals, reissues, reexaminations and extensions thereof, and any patents of confirmation, registration and importation of the same; and (4) the entire right, title and interest in and to all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the priority application(s).

2

The Assignor declares that he is proprietor of the intellectual property rights, such as patents, patent applications, supplementary protection certificates, supplementary protection certificate applications, utility models or design patents, given in the schedule hereto, and hereby declares that he assigns the said intellectual property rights and all his rights, title and interest in and to the said intellectual property rights, to **MERIAL**, together with all rights of action, power and benefit belonging or accrued arising therefrom including the right to take proceedings to recover damages and claim all other relief in respect of any acts of infringement thereof whether such acts shall have been committed before or after the date of this assignment. **MERIAL** hereby declares that he accepts such assignment.

Assignor further agrees that the change of ownership be recorded in the official Patent Office records.

CONTRATO DE CESIÓN

Esta Cesión se realiza y celebra por y entre

Merial Limited

Una compañía limitada por acciones registrada en Inglaterra y Gales (número registrado 3332751) con una oficina registrada en PO Box 327, Sandringham House, Sandringham Avenue, Harlow Business Park, Harlow, Essex CM 19 5QA, Inglaterra, y domesticada en Delaware, Estados Unidos de América como Merial LLC con oficina en 3239 Satellite Boulevard, Duluth, Georgia 30096

En adelante denominada como el "Cedente"

Y

Merial, Inc.

Una sociedad de Georgia, teniendo su lugar principal de negocios en 3239 Satellite Boulevard, Bldg. 500, Duluth, Georgia 30096, Estados Unidos de América, en su propio nombre y de cualquiera de sus subsidiarias y/o Filiales

En adelante denominada como "**MERIAL**"

Y siendo los inventores de ciertas mejoras en la solicitud internacional como se indica en el adjunto Anexo A, por una buena y valorable contraprestación, cuyo recibo y suficiencia se reconocen por el presente, a través de este medio cedemos a **MERIAL**, a sus sucesores y cesionarios (1) el completo derecho, título e interés en todos los países a lo largo del mundo en y para cualquiera y todas nuestras invenciones y descubrimientos en nuestra solicitud de patente de utilidad de los Estados Unidos y Solicitud de Patente Internacional bajo el Tratado de Cooperación de Patentes en la oficina de Recepción de los Estados Unidos (RO/US) designando a todos los países/estados miembros del PCT, así como cualesquiera renovaciones, resurgimientos, re-expediciones, re-exámenes, prórrogas, continuaciones y divisiones de la misma; y cualesquiera solicitudes sustitutas de ellas; (2) el completo y total derecho para presentar solicitudes de patente a nombre de **MERIAL**, o del designado de su elección, sobre las antes mencionadas invenciones, descubrimientos y solicitudes en todos los países del mundo; (3) el completo derecho, título e interés en y para cualesquiera Certificados de patente que puedan ser expedidos sobre las antes mencionadas invenciones, descubrimientos y solicitudes en cualquier país del mundo y cualesquiera renovaciones, resurgimientos, re-expediciones, re-exámenes y prórrogas de las mismas, y cualesquiera patentes de confirmación, registro e importación de las mismas; y (4) el completo derecho, título e interés en y para todos los derechos de convenciones y tratados de toda clase sobre ellas, incluyendo, sin limitación, todos los derechos de prioridad en cualquier país del mundo, en y para las solicitudes de prioridad.

El Cedente declara que el es el titular de los derechos de propiedad intelectual, tales como patentes, solicitudes de patente, certificados de protección suplementaria, solicitudes de certificados de protección suplementaria, modelos de utilidad o patentes de diseño, dadas en el anexo del presente, y por este medio declara que ha cedido los mencionados derechos de propiedad intelectual, y todo su derecho, título e interés en y para los mencionados derechos de propiedad intelectual a **MERIAL**, junto con todos los derechos de acción, facultad y beneficio que pertenecen o se acumulan y que

surgen de los mismos, incluyendo el derecho a procesos para recuperar daños y reivindicar cualquier otro alivio respecto de cualesquiera actos de infracción de los mismos, bien sea que tales actos se hayan cometido con anterioridad o con posterioridad a la fecha de esta cesión. **MERIAL** por el presente declara que acepta la mencionada cesión.

El Cedente además acuerda que el cambio de propiedad sea registrado en los registros oficiales de la oficina de Patentes.
