

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made effective as of the 31st day of December, 2013, by Greg Kemmitt; Olavo Correa da Silva; and Todd Mathieson (hereinafter referred to as Assignors), residing at 21 St. Armand Drive, Abingdon, OXFORDSHIRE, OX145Q, United Kingdom, UNITED KINGDOM; 4830 Morgans Creek Ct., Carmel, Indiana 46033; and 7 Corkwood Court, Brownsburg, Indiana 46112, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in SYNERGISTIC FUNGICIDAL MIXTURES FOR FUNGAL CONTROL IN CEREALS, set forth in a Patent application for Letters Patent of the United States, already filed on December 31, 2013 as U.S. Application No. 61/922,588; and

WHEREAS, Dow AgroSciences LLC, a Limited Liability Company organized under and pursuant to the laws of Delaware having its principal place of business at 9330 Zionsville Road, Indianapolis, Indiana 46268 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and valuable consideration and/or the remuneration received for my/our work and/or other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and to any and all priority applications, the right to priority, direct and indirect divisions, continuations, continuations-in-part related to said application, its right to apply for and to hold patents for the invention and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon or derive priority from the foregoing, and reissues, reexaminations and extensions and supplementary protection certificates of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, and the right to recover and take all such proceedings as may be necessary for the recovery of damages in respect of

any infringement of such Letter Patent whether committed before or after the date of this assignment the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made. The Assignee hereby accepts this assignment from the Assignors.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made effective as of the 31st day of December, 2013, by Greg Kemmitt; Olavo Correa da Silva; and Todd Mathieson (hereinafter referred to as Assignors), residing at 21 St. Armand Drive, Abingdon, OXFORDSHIRE, OX145Q, United Kingdom, UNITED KINGDOM; 4830 Morgans Creek Ct., Carmel, Indiana 46033; and 7 Corkwood Court, Brownsburg, Indiana 46112, respectively;

WHEREAS, Assignors have invented certain new and useful improvements in SYNERGISTIC FUNGICIDAL MIXTURES FOR FUNGAL CONTROL IN CEREALS, set forth in a Patent application for Letters Patent of the United States, already filed on December 31, 2013 as U.S. Application No. 61/922,588; and

WHEREAS, Dow AgroSciences LLC, a Limited Liability Company organized under and pursuant to the laws of Delaware having its principal place of business at 9330 Zionsville Road, Indianapolis, Indiana 46268 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and valuable consideration and/or the remuneration received for my/our work and/or other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and to any and all priority applications, the right to priority, direct and indirect divisions, continuations, continuations-in-part related to said application, its right to apply for and to hold patents for the invention and any and all Letters Patent in the United States and all foreign countries which may be granted therefor and thereon or derive priority from the foregoing, and reissues, reexaminations and extensions and supplementary protection certificates of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, and the right to recover and take all such proceedings as may be necessary for the recovery of damages in respect of

infringement of such Letter Patent whether committed before or after the date of this assignment the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made. The Assignee hereby accepts this assignment from the Assignors.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

CESIÓN DE INVENTORES

LA PRESENTE CESIÓN, efectiva desde este día 31 de diciembre de 2013 por Greg Kemmitt; Olavo Correa da Silva; and Todd Mathieson (conocidos en adelante como los Cedentes), domiciliados en 21St. Armand Drive, Abingdon, OXFORDSHIRE, OX145Q, Reino Unido, REINO UNIDO; 4830 Morgans Creek Ct., Carmel, Indiana 46033; y 7 Corkwood Court, Brownsburg, Indiana 46112, respectivamente;

CONSIDERANDO QUE, los Cedentes han inventado una serie de mejoras nuevas y útiles en MEZCLAS FUNGICIDAS SINÉRGICAS PARA EL CONTROL DE HONGOS EN CEREALES, establecidas en una solicitud de patente para los Títulos Patente de los Estados Unidos, ya presentadas el 31 de diciembre de 2013 como la solicitud de EE.UU. No. 61/922,588; y

CONSIDERANDO QUE, Dow AgroScience LLC, una sociedad de responsabilidad limitada constituida bajo y conforme a las leyes de Delaware, cuya sede principal se encuentra ubicada en 9330 Zionsville Road, Indianápolis, Indiana 46268 (conocido en adelante como el Cesionario), está interesada en adquirir todos los derechos, títulos, e intereses en y sobre dichas invenciones y dicha Solicitud de Títulos Patente de los Estados Unidos, y en relación a todos y cada uno de los Títulos Patente de los Estados Unidos que se obtengan a partir de y en relación con las mismas.

EN VIRTUD DE LO ANTERIOR, por contraprestación válida y onerosa y/o remuneración recibida por mi/nuestro trabajo y/o por otras contraprestaciones válidas y suficientes, cuyo recibo se reconoce por la presente, los Cedentes han vendido, cedido, transferido y pasado, y por la presente venden, ceden, transfieren y pasan al Cesionario, sus sucesores, representantes legales y cesionarios, la totalidad de los derechos, títulos e intereses en relación con las invenciones anteriormente mencionadas y solicitud de Títulos Patente, y en relación con todas y cada una de las solicitudes de prioridad, el derecho a prioridad, divisiones, continuaciones y continuaciones parciales directas e indirectas de dicha solicitud, su derecho a solicitar y conservar patentes para la invención y todos y cada uno de los Títulos Patente de los Estados Unidos y todos los países extranjeros que se obtengan a partir de y en relación con las mismas o que deriven prioridad a partir de la anterior, y las reemisiones, reexaminaciones y extensiones y certificados de protección suplementarios de dichos Títulos Patente, así como todos los derechos de acuerdo a la Convención Internacional para la Protección de la Propiedad Industrial, y el derecho de retomar y llevar a cabo todos aquellos procedimientos que sean necesarios para la indemnización por daños y perjuicios en relación con cualquier violación de dichos Títulos Patente ya sea que se hayan cometido antes o después de la fecha de la presente cesión, la

misma con la cual también contará y gozará el Cesionario, para su propio uso y disfrute y para el uso y disfrute de sus sucesores, representantes legales y cesionarios, durante todo el término o términos de los Títulos Patente otorgadas y/o extendidas, de la misma manera y por el mismo tiempo que usarían y disfrutarían los Cedentes si no hubiesen ocurrido la presente venta y cesión. El Cesionario por la presente acepta la presente cesión de parte del Cedente.

Y por la misma consideración, por medio de la presente los Cedentes declaran y garantizan al Cesionario, sus sucesores, representantes legales y cesionarios que, en el momento de ejecución y entrega del presente documento, a excepción de los derechos, títulos y/o intereses surgidos para el Cesionario conforme a la ley o que ya han sido transferidos al Cesionario, los Cedentes son los únicos y legítimos propietarios de la totalidad de los derechos, títulos e intereses relacionados a dichas invenciones y solicitud de Títulos Patente mencionados anteriormente, y que los mismos se encuentran libres de gravámenes y que los Cedentes están en todo su derecho y están autorizados a vender y traspasar los mismos de la manera establecida en este instrumento.

Y por la misma consideración, por medio de la presente los Cedentes aceptan y se comprometen con el Cesionario, sus sucesores, representantes legales y cesionarios, a firmar todos los papeles y documentos, a prestar todos los juramentos correspondientes y hacer todo lo necesario o exigido para obtener, mantener, hacer cumplir y defender cualesquiera de los Títulos Patente y solicitudes de Títulos Patente para dichas invenciones, sin ningún cargo al Cesionario, sus sucesores, representantes legales y cesionarios, toda vez que el apoderado del Cesionario, o el apoderado de sus sucesores, representantes legales y cesionarios indiquen: que algún procedimiento relacionado a dichas invenciones, o dicha solicitud de Patente para Títulos Patente, o cualquier procedimiento relacionado a cualquier Título Patente o solicitudes de Títulos Patente para dichas invenciones en cualquier país, incluyendo, mas no limitado a, procedimientos de interferencia, es legítimo y deseable; o que cualquier división, continuación o continuación parcial de cualquier solicitud de Título Patente, o cualquier reemisión, reexaminación o extensión de cualquier Título Patente que se obtenga como resultado de las mismas es legítimo y deseable.

Y por medio de la presente los Cedentes solicitan al Comisionado de Marcas y Patentes expedir dichos Títulos Patente de los Estados Unidos al Cesionario, como Cesionario de dichas invenciones y de los Títulos Patente que se obtengan como resultado de las mismas, para el uso y beneficio exclusivo del Cesionario, sus sucesores, representantes legales y cesionarios.

Y por medio de la presente los Cedentes autorizan a los siguientes individuos a adjuntar al presente documento de Cesión, cualquier tipo de identificación adicional que sea necesario o deseable para cumplir con las normas de la Oficina de Marcas y Patentes de los Estados Unidos para el registro de este documento:

DOW AGROSCIENCES LLC

Todos los profesionales con el Número de Cliente 25212

Y los Cedentes reconocen una obligación de cesión de esta invención al Cesionario en el momento en que se realizó la invención.
