Subject: International IP Decisions

Recap of our discussion:
Move forward on the following countries:
Brazil
Canada
China
Japan
Mexico
Peru
US

Chile – John will talk to Brian & Glenn about the history with Chile to determine whether this should remain on the list

Fees to file will be between \$2-5,000 per country.
Taiwan & Argentina needed to be filed right away – the ship has sailed on these countries already.

We will schedule another call with Ben after Thanksgiving to discuss the 31 month countries.
