

Assignment of Application

WHEREAS, I (WE) Michael J. Moore, and Bertrand R. Klussmann
, respectively, have jointly invented certain new and useful improvements in the patent
application:

Entitled: Process and Device for Reducing Environmental Contaminates in Heavy
Marine Fuel Oil

Application No.: 62/589479

Filed: 21-NOV 2017

, and

WHEREAS, Magēmā Technology, LLC (hereinafter referred to as "ASSIGNEE") having a place of
business at: 1328 Dian, Houston, Texas, 77008, U.S.A. is desirous of acquiring the entire right,
title and interest in and to said invention and in and to any Letters Patent that may be granted
therefore in the United States and its territorial possessions and in any and all foreign
countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is
hereby acknowledged, and for other good and valuable consideration, I (WE), by these presents
do sell, assign and transfer unto said ASSIGNEE, the full and exclusive right to the said invention
in the United States and its territorial possessions and in all foreign countries (including the
right to claim priority under the terms of the International Convention and other relevant
International Treaties and Arrangements from the aforesaid application(s)) and the entire right,
title and interest in and to any and all Letters Patent which may be granted therefor in the
United States and its territorial possessions and in any and all foreign countries and in and to
any and all divisions, reissues, continuations, substitutions and renewals thereof.

I (WE) hereby authorize and request the Patent Office Officials in the United States and its
territorial possessions and any and all foreign countries to issue any and all of said Letters
Patent, when granted, to said ASSIGNEE as the assignee of my (our) entire right, title and
interest in and to the same, for the sole use and behoof of said ASSIGNEE, its (his) successors
and assigns, to the full end of the term for which said Letters Patent may be granted, as fully
and entirely as the same would have been held by me (us) had this Assignment and sale not
been made.

Further, I (WE) agree that I (WE) will communicate to said ASSIGNEE or its (his) representatives
any facts known to me (us) respecting said invention, and testify in any legal proceeding, sign all
lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications,
execute all necessary assignment papers to cause any and all of said Letters Patent to be issued
to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said
ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said
invention in the United States and its territorial possessions and in any and all foreign countries.
