

ASSIGNMENT

WHEREAS, **ebbu Inc.**, whose full post office address is 35715 U.S. Highway 40, Units D101-103, Evergreen, Colorado, 80439, United States of America, (hereinafter referred to as the "Assignor") is the owner of the entire right, title and interest in and to the inventions and discoveries disclosed in the patent applications listed in Schedule A to this assignment (hereinafter the "Inventions");

AND WHEREAS, **Canopy Growth Corporation**, whose full post office address is 1 Hershey Drive, Smith Falls, Ontario, K7A 0A8, Canada (hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Inventions, inclusive of any and all priority rights derived therefrom, for any and all countries in the world, and in and to any and all Letters Patent issuing in any and all countries in the world, to be granted for the Inventions or on patent applications filed in any country claiming priority from any and all of the Inventions;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Assignee, the Assignor does hereby sell, assign, transfer, and set over unto the Assignee, its successors and assigns, its entire right, title, and interest in and to the Inventions, and all priority rights derived therefrom, and in and to any and all patent applications, including any divisions, extensions, continuations, continuations-in-part, provisionals, non-provisionals, substitutions and renewals, filed in any country claiming priority from any and all of the Inventions, and in and to any and all Letters Patent which may be granted upon the Inventions or upon patent applications filed in any and all countries in the world, including the United States of America, claiming priority from the Inventions, including any and all renewals, reissues, extensions, re-examinations, substitutions, or prolongations thereof; the same to be held and enjoyed by the Assignee for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Letters Patent, or reissues, substitutions, or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made;

AND, the Assignor hereby authorizes and requests the patent offices in all countries to issue any and all of the Letters Patent, when granted, to the Assignee;

AND, the Assignor hereby agrees to communicate to the Assignee, its successors and assigns, any facts known respecting the Inventions, and testify in any legal proceeding; sign all lawful papers; execute all necessary papers relating to patent applications of the Inventions, including all divisions, extensions,

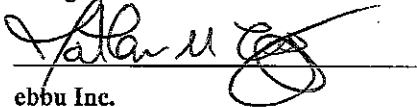

continuations, continuations-in-part, provisionals, non-provisionals, substitutions and renewals, and all of the Letters Patent, including all renewals, reissues, extensions, re-examinations, substitutions, or prolongations thereof; execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to the Assignee; make all rightful oaths; and, generally do everything possible to aid the Assignee, its successors and assigns, to obtain and enforce proper protection for the Inventions, in any and all countries and jurisdictions.

The undersigned parties hereby authorize the firm of Gowling WLG (Canada) LLP (and any successor entities) to correct errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recordal in any country.

THIS assignment made effective as of November 26, 2018.
