

ASSIGNMENT

WHEREAS, we, **Mark Roberts**, residing at 31 Bridges Lane, North Andover, MA 01845, **Nathan Tregger**, residing at 267 Davis Street, Northborough, MA 01532 and **Stephen Klaus**, residing at 225 Winslow Road, Waban, MA 02468, have made an invention which invention is described and claimed in a provisional patent application of the United States of America entitled, "**Grey Water Measurement**", filed in the U.S. Patent and Trademark Office on **August 11, 2017** under U.S. provisional application Serial No. **62/544,028**; and

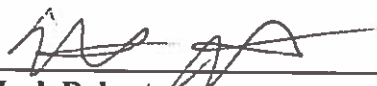

WHEREAS, **GCP Applied Technologies Inc.** of 62 Whittemore Avenue, Cambridge, MA 02140, is desirous of acquiring the entire right, title and interest in and to the invention and in any Letters Patent that may be granted therefore;

Now therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, we the undersigned by these presents do sell, assign, and transfer unto said **GCP Applied Technologies Inc.**, our entire right, title and interest in and to said invention and in and to the provisional patent application therefore aforesaid, including the right of **GCP Applied Technologies Inc.** to (1) file any non-provisional patent applications and otherwise seek any patent in the United States claiming priority to the provisional patent application; (2) file any and all divisional, continuation and continuation-in-part applications claiming priority to the non-provisional patent application; (3) seek reissues, reexaminations or extensions of any patent issuing thereon; and (4) file any foreign patent applications and otherwise seek any patent in countries foreign to the United States, including divisional, continuation and continuation-in-part applications, claiming priority to the provisional patent application, which **GCP Applied Technologies Inc.** may hold and enjoy for its own use and behalf, and its successors, assigns or nominees, to the full end of the term for which said patents are granted, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made.

And we hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to said **GCP Applied Technologies Inc.** the assignee of our entire right, title and interest in, to and under the same, and we hereby further authorize **GCP Applied Technologies Inc.** to apply for Letters Patent in our name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country foreign to the United States of America.

And we do hereby agree for ourselves and for our heirs, executors and administrators to execute any lawful document and to testify as to any material fact or thing which **GCP Applied Technologies Inc.**, its successors and assigns may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to and the full enjoyment of said invention or any part thereof and any Letters Patent, the same to be done without any further consideration.

IN WITNESS WHEREOF, we hereby set our hand and affix our seal.
