

Confirmatory Assignment

We, the undersigned

Mr. Sreenivasachary Nampally, Route Neuve 87, 1024 Ecublens, Switzerland
Mr. Emanuele Gabellieri, Avenue du parc de la Rouvraie 10, 1018 Lausanne, Switzerland
Mr. Jérôme Molette, 37 La Ruelle Bretigny, 01280 Prevessin Moens, France

hereinafter referred to as "Assignors", are the joint inventors of the invention entitled

Novel Compounds for the Treatment, Alleviation or Prevention of Disorders Associated with Tau Aggregates

for which the following priority application has been filed:

EP 18 15 0422.6

Assignors confirm that all our rights, title and interest, including all priority rights, in and to the invention as fully described and claimed in the above application have been transferred to

**AC Immune SA
EPFL Innovation Park, Building B
1015 Lausanne
Switzerland**

hereinafter referred to as "Assignee". As far as any right, title and interest of the Assignors in and to the invention disclosed in the above patent application may not have been transferred to Assignee, Assignors herewith assign to Assignee all rights, title and interest, including all priority rights, to the invention to the Assignee.

Assignee by virtue of this assignment shall have the exclusive right and is fully entitled to claim priority of the priority application set forth above and to apply for, obtain and own patents, utility models and other intellectual property rights worldwide which relate to the invention described in the priority application set forth above.

Assignors have received good and valuable consideration for the assignment, the receipt and sufficiency of which are hereby acknowledged.
