

ASSIGNMENT

WHEREAS, I, Roman Rubio, a citizen of the United States, with a correspondence address of 722 Esther Lane, Redwood City, CA 94062

(hereinafter referred to as the ASSIGNOR), have made a discovery or invention entitled:

**INJECTABLE BOTULINUM TOXIN FORMULATIONS AND METHODS OF USE
THEREOF HAVING HIGH RESPONSE RATE AND LONG DURATION OF EFFECT**

for which a Patent Application of the United States:

is filed herewith

was filed on **December 4, 2017**, and accorded Provisional Application No.: **62/594,529**

AND WHEREAS, **Revance Therapeutics, Inc.**, having an office for the transaction of business at **7555 Gateway Blvd, Newark, CA 94560** (hereinafter referred to as ASSIGNEE), is desirous of obtaining the entire right, title and interest in, to and under the invention and in, to and under the Provisional Patent Application, or similar or legal protection, or Letters Patent, to be obtained therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN

Be it known that for valuable consideration by ASSIGNEE to ASSIGNOR, the receipt of which is hereby acknowledged, the ASSIGNOR hereby sells, assigns, and transfers to the ASSIGNEE, its successors, legal representatives and assigns, the full and exclusive right, title and interest to the discovery or invention, and any and all inventions described in the above-referenced application, in the United States and its territorial possessions and in all foreign countries and to all Letters Patents or similar legal protection in the United States and its territorial possessions, and in any and all foreign countries to be obtained for the invention by the United States patent application and all applications claiming priority thereto under 35 U.S.C. §119(e), or any related application, continuation, division, renewal, substitute, reissue or reexamination thereof, or any legal equivalent thereof in a foreign country, for the full term or terms for which the same may be granted, and the right to claim priority from the above-referenced application under the Patent Laws of the United States, the International Convention, or any other international agreement or domestic laws of any and all foreign countries.

AND I HEREBY authorize and request the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States of America whose duty it is to issue Letters Patents on applications as aforesaid, to issue all such Letters Patents for the discovery or invention, and any and all inventions described in the above-referenced application, to the ASSIGNEE, as assignee of the entire right, title and interest in, to and under the same, for the sole use and behalf of the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire right, title and interest herein sold, assigned, transferred and set over;

AND I HEREBY further covenant and agree that the ASSIGNEE, its successors, legal representatives, or assigns, may apply for foreign Letters Patent on the discovery or invention, and any and all inventions described in the above-referenced application, and claim the benefits of the International Convention, and that I will, at any time, when called upon to do so by the ASSIGNEE, its successors, legal representatives, or assigns, communicate to the ASSIGNEE, its successors, legal representatives, or assigns, as the case may be, any facts known to me respecting the discovery or invention, and any and all inventions described in the above-referenced application, and execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the discovery or invention, and any and all inventions described in the above-referenced application, the applications and the Letters Patent in the ASSIGNEE, its successors, legal representatives and assigns. If reissues of the Letters Patent or disclaimers relating thereto, or divisions, continuations, or refilings of the applications, or any thereof, shall hereafter be desired by the ASSIGNEE, its successors, legal representatives, or assigns, I will, at any time, when called upon to do so by the ASSIGNEE, its successors, legal representatives, or assigns, sign all lawful papers, make all rightful oaths, execute and deliver all such disclaimers and all divisional, continuation and reissue applications so desired, and do all lawful acts requisite for the application for such reissues and the procuring thereof and for the filing of such disclaimers and such applications, and will generally do everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for the invention or discovery, and any and all inventions described in the above-referenced application in all countries, and without further compensation but at the expense of the ASSIGNEE, its successors, legal representatives and assigns.
