ASSIGNMENT

WHEREAS We, the below named inventors (hereinafter referred to as Assignor) have made an invention entitled:

HUMANIZED ANTI-SIRP-ALPHA ANTIBODIES AND METHODS OF USE THEREOF

for which We executed United States Provisional Application No. 62/676,813 on May 25, 2018, and

WHEREAS, Alector LLC, a corporation having a place of business at 151 Oyster Point Blvd, Suite 300, South San Francisco, CA 94080 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and to any applications filed in any worldwide jurisdiction claiming the benefit of priority of that provisional patent application as well as any Letters Patent to be issued claiming the benefit of priority of the provisional application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, including provisional Application No. 62/676,813, filed May 25, 2018, including all rights to claim the benefit of priority in any worldwide patent jurisdiction to Application No. 62/676,813, and including any application claiming the benefit of priority to Application No. 62/676,813 and any Letters Patent granted thereon including any renewals, extensions, or reissues of such Letters Patent. We hereby authorize and request any official of any jurisdiction whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set my hand.
