

ASSIGNMENT

WHEREAS, We, Xavier ANGUELA, residing at 3737 Chestnut Street, Apt. 1906, Philadelphia, PA 19104; Sean ARMOUR, residing at 16 Thoroughbred Drive, Holland, PA 18966 and Jayme NORDIN, residing at 2123 Locust Street, Philadelphia, PA 19103, made certain new and useful inventions and improvements for which we filed an International Application with the Patent Cooperation Treaty on May 15, 2019, which was assigned International Application No. PCT/US2019/032502, entitled "CODON-OPTIMIZED ACID ALPHA-GLUCOSIDASE EXPRESSION CASSETTES AND METHODS OF USING SAME"

AND WHEREAS, SPARK THERAPEUTICS, INC., existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 3737 Market Street, Suite 1300, Philadelphia PA 19104 (hereinafter "Assignee"), is desirous of acquiring the entire right, priority right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application including the right to claim priority, and in and to the said application, all divisions, continuations, continuations-in-part, renewals or substitutes thereof, all Letters Patent which may be granted therefrom, and all reissues, re-examinations or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

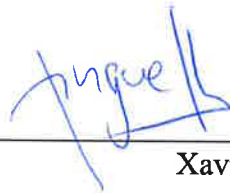

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

This Assignment hereby incorporates by reference any and all prior Assignments that may exist with respect to the application and, to the extent such conflict or differences in language may exist, the language of the present Assignment controls.

The undersigned also hereby grants to Assignee, its successors, assigns and designees, a Power of Attorney with respect to the application and all of the foregoing patent applications and patents related to or arising out of that application, including without limitation all such United States and Foreign patent applications.

AND, furthermore, we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement or encumbrance affecting the rights and property herein conveyed has been or will be made to others by us that would conflict with this assignment, and that full right to convey the same as herein expressed is possessed by us.
