DECLARATION OF MICHAEL P. SHAKE

I, Michael P. Shake, declare as follows:

1. I am a Research Associate at USG Corporation, and I have over 25 years of experience in developing gypsum products, including calcined gypsum products, for USG Corporation's subsidiary United States Gypsum Company which is the applicant of European Patent Application No. 1112986A1 (the "cited reference").
2. I have reviewed the cited reference, and I am familiar with its contents.
3. The inventor of the cited reference is no longer an employee of USG Corporation or its subsidiaries.
4. The invention in the cited reference is useful in the manufacture of United States Gypsum Company's Fiberock® branded products, for example, which is a gypsum wood fiber ("GWF") product. I am very familiar with the research and manufacture of such products.
5. The invention disclosed in the cited reference is made using a gypsum slurry that has a pH of between 6.5 and 8.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true.
