Claim numbers before the amendments	Claim numbers in the amendments	Type of Change	Comments/basis
1-49	1-49	Amended	The basis for the amendment to claim 44: the last part of claim 163 as found in US priority application No. 62/947,720 filed 13 December 2019, specifically the words “cancer, head and neck cancer, brain cancer, and non-small cell lung cancer” are missing in the international application claim 44. The missing part of the claim is referred to throughout the description of the international application and we confirm the amendment does not go beyond the disclosure in the international application as filed. All other claims in the international application remain unchanged.
