ASSIGNMENT

WHEREAS, **SUTRO BIOPHARMA, INC.**, a corporation organized and existing under the laws of the state of Delaware, and having an office for the transaction of business at 310 Utah Avenue, Suite 150, South San Francisco, CA 94080, ASSIGNOR, received by assignment the entire right, title and interest in, to and under the contribution by named inventors **John LEE, Ryan STAFFORD, Alice YAM, Xiaofan LI, Abigail YU, and Amandeep GAKHAL**, to the invention in **ANTI-BCMA ANTIBODY CONJUGATE, COMPOSITIONS COMPRISING THE SAME, AND METHODS OF MAKING AND USING THE SAME** for which an international application under the Patent Cooperation Treaty (PCT) has been filed

☒ which is identified by Jones Day reference no. 14247-525-228 (206986-228525)

☒ which was filed on May 1, 2020, Application No. PCT/US2020/031067

and WHEREAS, **CELGENE CORPORATION**, a corporation organized and existing under the laws of the state of Delaware, and having an office for the transaction of business at 86 Morris Avenue, Summit, NJ 07901, ASSIGNEE, is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, ASSIGNOR's entire right, title and interest in, to and under the said invention, and the said international application, all applications claiming benefit of priority from said international application, all national stage applications of said international application in the United States and in countries foreign to the United States, all divisions, renewals and continuations thereof, and all Patents which may be granted thereon in the United States and any country or countries foreign to the United States, and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said invention in any country or countries, including countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said international and national stage applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all right to sue for infringement including past infringement.

AND ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR HEREBY covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

AND ASSIGNOR HEREBY further covenants and agrees that it will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to it respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, the person executing this Assignment in a representative capacity on behalf of the ASSIGNOR warrants that he/she is fully authorized and empowered to do so and signs his/her name on the date indicated below.
