

ASSIGNMENT

I/We,

AMRI/SSCI LLC, of 3065 Kent Avenue, West Lafayette, IN, 47906, U.S.A.,
for good and valuable consideration, receipt of which is hereby acknowledged, have assigned,
sold and transferred to, and do hereby assign, sell and transfer to Exelixis, Inc., a corporation
organized and having an office and a place of business at 1851 Harbor Bay Parkway, Alameda,
CA, 94502, U.S.A., its successors and assigns, all hereinafter referred to as the "ASSIGNEE":

(1) the entire right, title and interest in the United States, its territories and possessions,
and in all countries throughout the world in and to any and all of my/our inventions, and
discoveries disclosed in:

(a) the application for United States Letters Patent entitled: "Crystalline Salt
Forms of a Kinase Inhibitor", and filed in the United States Patent and Trademark Office on
_____, under Application Number _____,¹ including any and all
renewals, revivals, reexaminations, reissues, provisional, continuations, continuations-in-part,
divisions, extensions, adjustments and prolongations thereof, and any substitute applications
therefrom, and/or;

(b) the International Patent Application entitled "Crystalline Salt Forms of a
Kinase Inhibitor", filed under the Patent Cooperation Treaty in the US Receiving Office on
December 12, 2019, under Application No.: PCT/US19/65980¹ and designating all countries,
including any and all renewals, revivals, reexaminations, reissues, provisional, continuations,
continuations-in-part, divisions, extensions, adjustments and prolongations thereof, and any
substitute applications therefrom, and/or;

(2) the full and complete right to file patent applications in the name of the ASSIGNEE,
its designee, or in my/our names at the election of the ASSIGNEE or its designee, on the
aforesaid inventions, discoveries and applications in the United States and in any other country
of the world; and

¹ I/we authorize and request ASSIGNEE to insert the filing date and/or application number of
said application when known.

(3) the entire right, title and interest in and to any Letters Patent which may issue thereon in the United States or in any other country of the world, and in and to any and all renewals, revivals, reexaminations, reissues, provisional, continuations, continuations-in-part, divisions, extensions, adjustments and prolongations thereof, and any substitute applications therefrom; and

(4) the entire right, title and interest in and to all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications including, but not limited to, the above identified application for United States Letters Patent and the following priority application(s):

Application No.	Country	Filing Date
62/856,404	United States	June 3, 2019
N/A	N/A	N/A

and all rights of priority in any country of the world deriving from the above-identified International Patent Application.

I/We hereby agree to communicate to ASSIGNEE, its successors and assigns, or their representative or agents, all facts and information known or available to me/us respecting said invention or inventions including evidence for reexamination, reissue, opposition, extension, revocation or infringement purposes or other legal, judicial or administrative proceedings, whenever requested by ASSIGNEE.

I/We hereby authorize and request the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to the ASSIGNEE of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, sale and transfer not been made.

I/We agree, at any time, upon the request of the ASSIGNEE to execute and to deliver to the ASSIGNEE any additional applications for patents for said inventions and discoveries, or any part or parts thereof, and any applications for patents of confirmation, registration and importation based on any Letters Patent issuing on said inventions, discoveries or applications, and all renewals, revivals, reexaminations, reissues, provisional, continuations, continuations-in-part, divisions, extensions, adjustments and prolongations thereof, and any substitute applications therefrom, and/or.

I/We further agree at any time to execute and to deliver upon request of the ASSIGNEE such additional documents, if any, as are necessary or desirable to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of the ASSIGNEE under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

I/We agree to provide all reasonable assistance to ASSIGNEE, its successors and assigns, in obtaining and enforcing proper title in and protection for said invention or inventions under the intellectual property laws of the United States and countries foreign thereto.
