I, Stephen Collingwood
of Enterprise Therapeutics Limited
Sussex Innovation Centre
Science Park Square
Falmer
Brighton
BN1 9SB

inventor of the Invention relating to:

COMPOUNDS FOR TREATING RESPIRATORY DISEASE

which is identified in the books of Sagittarius IP as casc ENT-P2579GBp and which is the subject of UK Patent Application No. 1908451.6, filed 12 June 2019 (the Application)

ACKNOWLEDGE

(1) that the Invention was made in the course of my normal duties as your employee or in the course of duties falling outside my normal duties, but specifically assigned to me, and the circumstances were such that an invention might reasonably be expected to result from the carrying out of my duties or that the Invention was made in the course of my duties and, at the time of making the Invention, because of the nature of my duties and the particular responsibilities arising from the nature of my duties I had a special obligation to further the interests of your undertaking, and:

(2) that the above identified Invention belongs to you, and

(3) that you are exclusively entitled to any rights I may have as inventor to apply for or secure the grant in or outside the United Kingdom of Patent or other protection for the Invention and the right to claim priority for applications for such Patent or other protection by virtue of the circumstances set forth above.

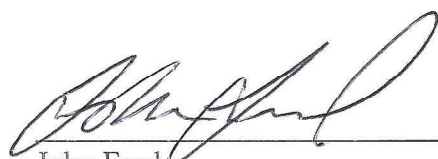

Now in consideration of the sum of £1, receipt whereof I hereby acknowledge, I HEREBY ASSIGN the Invention, the Application and the rights specified under (3), if any, to you absolutely.

I HEREBY UNDERTAKE that at your request and cost I will execute all such documents and do all such things as may be necessary or convenient for obtaining the grant of a United Kingdom Patent or Patents and corresponding protection elsewhere in respect of the Invention and for vesting the Invention and all rights pertaining to it as you may direct.

Stephen Collingwood
