ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made by Hemanta Baruah, Gregory P. Chang, Ann F. Cheung, Asya Grinberg, Zong Sean Juo, and Thomas J. McQuade (collectively, the “Assignors”);

WHEREAS, Assignors have invented certain new and useful improvements in **ANTIBODIES TARGETING FLT3 AND USE THEREOF**, set forth in a provisional application for letters patent, filed on October 15, 2019 as U.S. Application No. 62/915,120 (the “Application”); and

WHEREAS, Dragonfly Therapeutics, Inc., a corporation having its principal place of business at 35 Gatehouse Drive, Waltham, Massachusetts 02451 (the “Assignee”), is desirous of acquiring all of Assignors’ right, title and interest in and to said inventions and said Application, and in and to any letters patent to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, Assignors’ entire right, title and interest in and to the above-mentioned inventions and Application, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said Application, and any and all letters patent in the United States and all foreign countries and regions which may be granted therefor and thereon, and reissues, reexaminations and extensions of said letters patent, and all rights under any and all United States laws and foreign and international agreements, treaties or laws relating to the protection of industrial property, and the right to claim priority from the above-mentioned Application for any such applications and letters patent (collectively, the “Patent Rights”), the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors' right, title and interest in and to the said inventions and Patent Rights above-mentioned, are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any of the Patent Rights, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions or Patent Rights is lawful and desirable.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
