

ASSIGNMENT

WHEREAS, WE, **Naima Bestaoui-Spurr, Marty J. Usie and Frances H. DeBenedictis** have invented certain new and useful compositions, methods, devices, and/or systems for which a U.S. Patent Application entitled “**Coated Composites Containing Delayed Release Agent and Methods of Using the Same**” was filed on November 1, 2019 and assigned U.S. Patent Application Serial Number 16/672,161 (“Application”).

WHEREAS, **BAKER HUGHES OILFIELD OPERATIONS LLC**, a corporation of Delaware, having its principal place of business located at 17021 Aldine Westfield, Houston, Texas 77073, is desirous of acquiring the entire right, title and interest in and to Application and all inventions set forth therein and to all patent applications directed to such inventions throughout the world including all patent applications which claim priority to or the benefit of Application (such applications and the Application being referred to herein as “Applications”), and all right, title and interest in, to and under any and all patents granted thereon and other forms of legal protection thereto in the United States and throughout the world;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell, assign, transfer and set over to **BAKER HUGHES OILFIELD OPERATIONS LLC**, all right, title and interest in and to the said invention throughout the world, as well as said Applications and patents issuing therefrom (including any and all divisions, continuations, reexaminations and reissues thereof), the same to be held and enjoyed by **BAKER HUGHES OILFIELD OPERATIONS LLC** for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And we hereby authorize and request the Commissioner of Patents in the U.S. and other authorities in foreign countries to issue any and all patents maturing from any of Applications to **BAKER HUGHES OILFIELD OPERATIONS LLC**, as assignee of our entire interest, and hereby covenant that we have the full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.

And we further hereby covenant and agree that we will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention all of Applications and any patents issuing therefrom, to **BAKER HUGHES OILFIELD OPERATIONS LLC**, its successors, assigns, or other legal representatives without further compensation but at the expense **BAKER HUGHES OILFIELD OPERATIONS LLC** or its successors, assigns, or other legal representatives.

And we do further covenant and agree that we will, at any time upon request, communicate to **BAKER HUGHES OILFIELD OPERATIONS LLC**, its successors, assigns or other legal representatives, such facts relating to said invention and any of Applications or the file histories thereof as may be known to us, without further compensation but at the expense of **BAKER**

HUGHES OILFIELD OPERATIONS LLC or said assignee, successors, or other legal representatives.
