

ASSIGNMENT

In consideration of the sum of one dollar and other good and valuable consideration, receipt of which is hereby acknowledged, I, the undersigned, whose name and complete address is listed below:

Name

Address

Satish IYER

6443-2nd Street SE, Calgary, Alberta T2H 1J5, Canada

confirm that, effective as of April 10, 2021, I have sold, assigned and transferred, and do hereby sell, assign and transfer to **Sulvaris Inc. ("Assignee")**, whose full post office address is **6443-2nd Street SE, Calgary, Alberta T2H 1J5, Canada**, and to the Assignee's successors, assigns or other legal representatives, my right to apply for and obtain Patents in the United States of America and all other countries for an invention, as fully set forth and described in the following applications:

US Provisional Patent Application No. 63/173,409 filed April 10, 2021 entitled "METHOD OF PREPARING A MICRONIZED SULPHUR FERTILIZER PRODUCT WITH UREA"

US Patent Application No. 17/658,556 filed April 8, 2022 entitled "METHOD OF PREPARING A MICRONIZED SULPHUR FERTILIZER PRODUCT WITH UREA"

International Patent Application No. PCT/CA2022/050548 filed April 8, 2022 entitled "METHOD OF PREPARING A MICRONIZED SULPHUR FERTILIZER PRODUCT WITH UREA"

and naming me as the applicant and/or inventor;

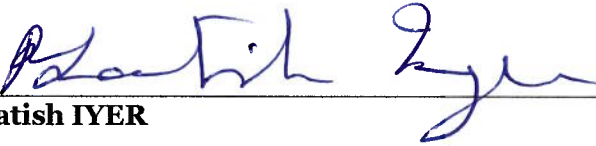

together with my entire right, title, property, benefit and interest for the United States of America and all other countries, in and to the aforementioned applications, and to any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified applications under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by me had this sale, assignment and transfer not been made;

And I hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Letters Patent in the United States of America and all other countries, for the invention and vest the same in the Assignee;

I make this assignment in respect of my interest in the invention and aforementioned applications independently of any assignment of any other inventor or assignor.

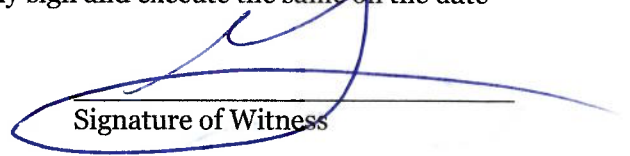

This Assignment may be signed in counterparts and each of those counterparts shall constitute an original document and those counterparts, taken together, shall constitute one and the same instrument.

SIGNED at Calgary, Alberta, Canada,
this 13 day of September, 2022.
