ASSIGNMENT OF PCT INTERNATIONAL APPLICATION

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the undersigned,

Lital KOREN, of Mishmar Hayarden 11, Ness Ziona 74140, Israel;
Yohai DAYAGI, of Kibbutz Kramim, P.O. Box Hanegev, 8496300 Israel;
and

Yaakov MINES, of Kafrisin 10/2, Beer Sheva 8472524, Israel;

executed effective June 15, 2022,

Hereby sell, assign and transfer to Adama Makhteshim Ltd.
a corporation of Israel, having a place of business at P.O.
Box 60, Beer Sheva 8410001, Israel, its successors, assigns and
legal representatives, the entire right, title and interest for
all countries, in and to any and all inventions which are
disclosed and claimed, and any and all inventions which are
disclosed but not claimed, in the PCT International
Application, which has been filed on June 15, 2022 and is
entitled

NOVALURON SOLID COMPOSITION

(PCT International Application No. PCT/IB2022/055552, filed June 15, 2022, claiming priority of U.S. Provisional Application No. 63/211,391, filed June 16, 2021)

and in and to said PCT International Application and all divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been

or shall be filed on any of said inventions disclosed in said PCT International Application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Agree that said Assignee may apply for and receive U.S. and foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said U.S. and foreign Letters Patent or other rights, the priority of the aforesaid PCT International Application under the provisions of the International Convention of 1883 and later modifications thereof, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
