**ASSIGNMENT OF
INTELLECTUAL PROPERTY RIGHTS**

THIS ASSIGNMENT is made this 14 day of December 2021

BETWEEN:

- (1) **DAVID LIEB**, a national of the United States of America having a permanent address at 9111 Beulah Highlands Road, Beulah, CO 81023, United States of America (hereinafter referred to as "**the Inventor**");
- (2) **LIEB PERFORMANCE SYSTEMS, INC.**, a corporation organised and existing under the laws of the State of Colorado, USA, and having a permanent address at 9111 Beulah Highlands Road, Beulah, CO 81023, United States of America (hereinafter referred to as "**Lieb Performance**"); and
- (3) **ANHEUSER-BUSCH INBEV SA**, a limited company incorporated in Belgium and located at Grand Place 1, 1000 Brussels, Belgium (hereinafter referred to as "**the Assignee**").

WHEREAS:

- (A) The Inventor contributed to certain inventions and industrial designs (hereinafter referred to as "**the Inventions & Designs**") relating to a lightweight beverage can, developed under the internal reference "Supercan Project".
- (B) The Inventions & Designs are depicted and described in certain drawings and written materials (hereinafter referred to as "**the Works**"), including but without limitation the drawings and materials copies of which are annexed in the Schedule hereto.
- (C) The Inventor made his contribution to the Inventions & Designs and creation of the Works in the course of his employment by Lieb Performance.
- (D) The Assignee intends to obtain patent and registered design protection for the Inventions & Designs.
- (E) The Inventor and Lieb Performance have agreed to assign to the Assignee all such rights as each may own in the Inventions & Designs and the Works for the consideration set out below.

IT IS AGREED AS FOLLOWS:

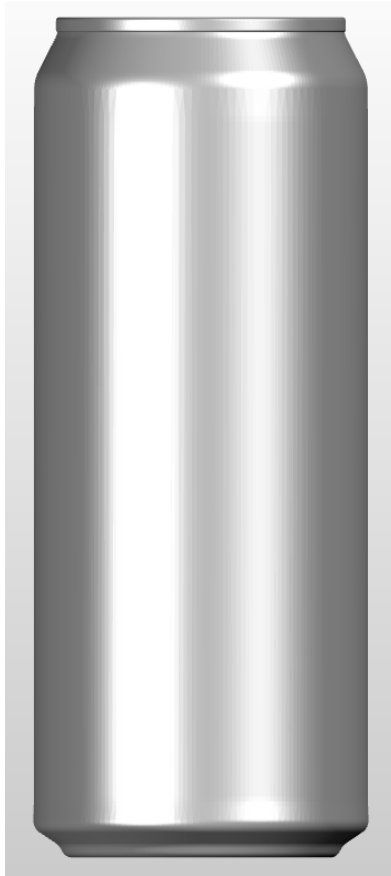

1. In consideration of the sum of One US Dollar (US\$1.00) and other good and valuable consideration now paid to the Inventor and Lieb Performance by the Assignee (receipt of which is hereby acknowledged by the Inventor and Lieb Performance) the Inventor and Lieb Performance with full title guarantee hereby assign to the Assignee, free from any and all incumbrances, all such rights as each may own in:

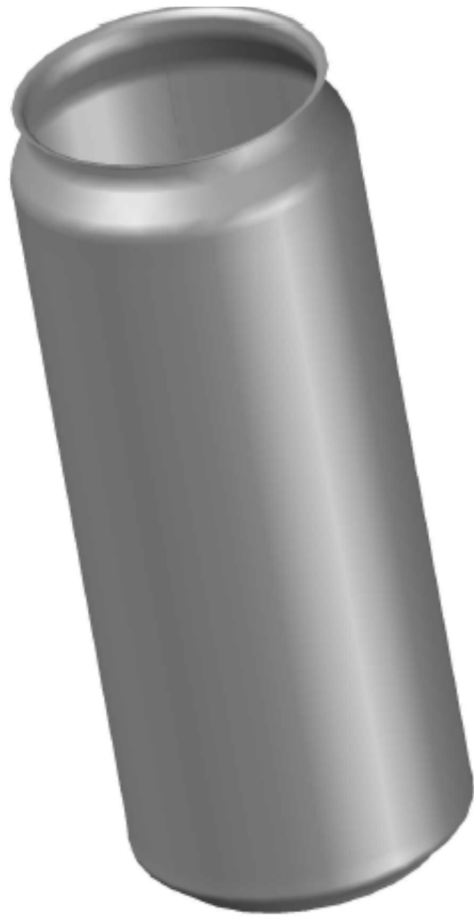

- a) the Inventions & Designs, including the right to seek patent and/or registered design protection in any country of the world relating to the Inventions & Designs, and all rights, powers, privileges and immunities arising or conferred thereby;
 - b) all such copyright, unregistered design right and like rights throughout the world in the Inventions & Designs;
 - c) all such copyright, unregistered design right and like rights throughout the world in the Works;
 - d) any and all other intellectual property rights subsisting in and relating to the Inventions & Designs and the Works; and
 - e) the right to bring proceedings for any previous infringement of the rights assigned by this Assignment.
2. The Inventor and Lieb Performance shall, at the expense of the Assignee, execute all such documents and do all such things as may reasonably be required for the Assignee (or the nominee of the Assignee) to enjoy the full benefit of the property and rights hereby assigned.

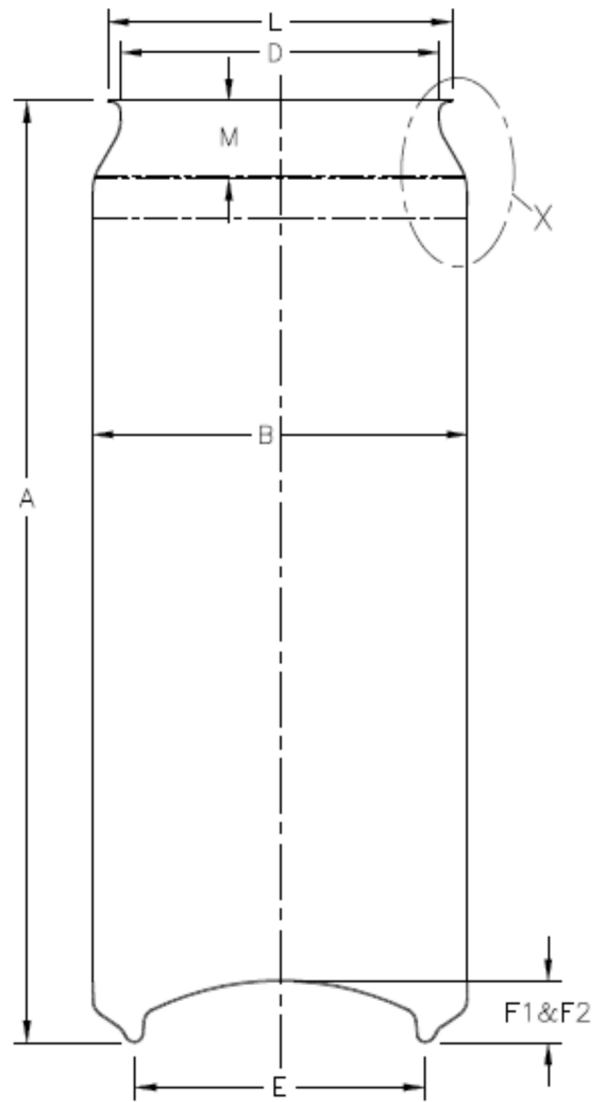

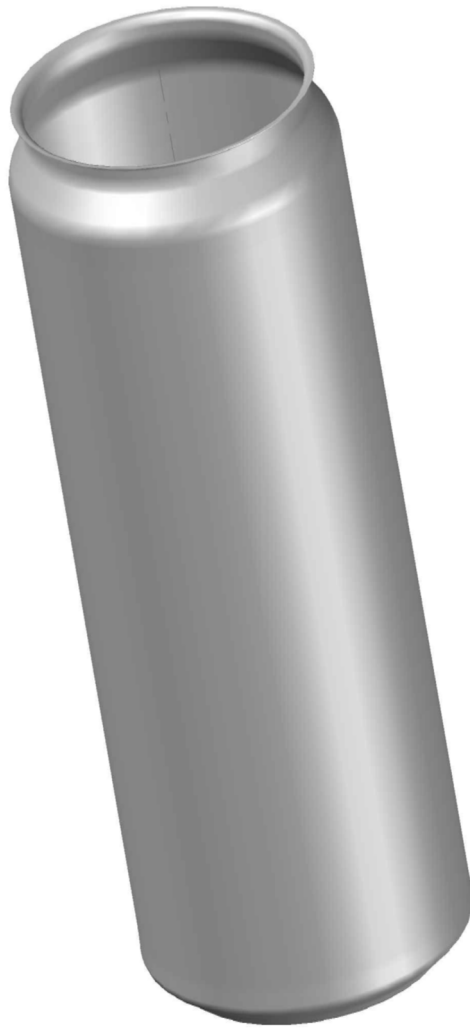

IN WITNESS of which the parties have executed this Assignment the day and year first above written.
