ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT is made by Sandra Hinckley, Marisa Elizabeth Kamelgarn, Daniel Elbaum and Duncan Brown (hereinafter referred to as Assignors);

WHEREAS, Assignors have invented certain new and useful improvements in TREATMENT OF NEUROLOGICAL DISEASES USING MODULATORS OF UNC13A GENE TRANSCRIPTS, set forth in International Application No. PCT/US2022/051713, filed in the United States Patent and Trademark Office as Receiving Office for the Patent Cooperation Treaty on December 2, 2022 (the "Application"); and

WHEREAS, QURALIS CORPORATION, a Corporation organized under and pursuant to the laws of Delaware having a business address at 100 Cambridgepark Drive, Suite 500, Cambridge, Massachusetts 02140 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, Assignors' entire right, title and interest in and to the above-mentioned inventions and Application, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said Application, and any and all letters patent in the United States and all foreign countries and regions which may be granted therefor and thereon, and reissues, reexaminations and extensions of said letters patent, and all rights under any and all United States laws and foreign and international agreements, treaties or laws relating to the protection of industrial property, including but not limited to any cause(s) of action and damages accruing prior to this assignment, including all rights to exclude others from practicing the claimed inventions and all rights to seek any and all remedies in law or equity, including damages and injunctive relief, for past, present, and future infringement, and the right to claim priority from the above-mentioned Application for any such applications and letters patent (collectively, the "Patent Rights"), the same to be held and enjoyed by Assignee, for its own

use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors' right, title and interest in and to the said inventions and Patent Rights above-mentioned, are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any of the Patent Rights, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions or Patent Rights is lawful and desirable.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

GOODWIN PROCTER LLP

All practitioners at Customer Number 051414

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.

IN TESTIMONY WHEREOF, we have duly executed on the date(s) set forth below this assignment, along with ASSIGNEE's authorized representative, where each

ASSIGNOR and said ASSIGNEE may execute this Assignment in counterparts, in which case each executed counterpart will be considered to be an original.
