Adama Ref. 4.387 (US PRO)

ASSIGNMENT OF PROVISIONAL APPLICATION

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the undersigned,

Diana POLIAK, residing at Israel Galili 26/12, Beer Sheva, 8471251, Israel,

Anna PRAIZ, residing at Aliza Begin 37 Beer Sheva, 8492666, Israel,

Viacheslav FIRER SLAVA, residing at Perets Smolenskin 2/6, Beer Sheva, 8452627, Israel,

Ivan GORLOVETSKY, residing at Rahvat Amatsya 3/7, Beer Sheva, 8479731, Israel,

Effective May 11, 2022

Hereby sell, assign and transfer to the Adama Makhteshim Ltd., a corporation of Israel, having a place of business at PO Box 60, Beer Sheva 8410001, Israel, its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions which are disclosed in the provisional application for United States Patent, which is entitled

COMPOSITION OF PHTHALIMIDE FUNGICIDE

(United States Provisional Application No. 63/340,807, filed May 11, 2022)

and in and to said application and all non-provisional applications for United States Patent, including divisional, continuing, substitute, renewal, and reissue thereof, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said provisional application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner for Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States provisional patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all nonprovisional applications for United States Patent, including any divisional, continuing, substitute, renewal, and reissue thereof, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
