("Assignors")

and

Dilafor AB
Fogdevreten 2A
171 65 Solna / SE

("Assignee").

Assignors and Assignee hereby agree as follows with regard to the patent application

European patent application no. 22171313.4
filed by Dilafor AB on May 3, 2022
and entitled "New Medical Use of
Tafoxiparin" (Internal Ref.no. DIL 8-1 EP)

("Application"):

Assignors hereby confirm that Assignee has acquired Assignors' entire right, title and interest throughout the world in any and all invention(s) disclosed or claimed in the Application ("Invention") and in the Application itself.

If any of the following rights have accrued or will accrue in Assignors or have or will be acquired by Assignors and have not yet been transferred to Assignee, Assignors hereby agree to assign, and hereby do assign to Assignee all its right, title and interest throughout the world in and to (i) the Invention, (ii) the Application, (iii) the claim to priority from the Application based on the *Paris Convention for the Protection of Intellectual Property* and/or any other applicable national or supra-national laws and regulations, and (iv) any and all intellectual property rights, which Assignors may have or may acquire, that protect the Invention, including the right to file for or own wholly without restriction any patents in any country directed to the Invention, including divisionals, continuations, continuations-in-part, re-issues, re-examinations, utility models, patent term extensions and supplementary protection certificates, as well as any other proprietary rights, however denominated.

Assignee has the right to use and enforce the assigned rights in the event of an infringement by a third party prior to or subsequent to the assignment, and to apply for injunctions, claim compensation and damages, and request any other remedy available under the applicable law.

Assignors, moreover, hereby undertake to, on request and without delay, at any time and free of charge, execute and sign documents as may be required under any national law for registering any of the abovementioned assigned rights in the name of Assignee or its successor-in-title, as well as to assist Assignee or its successor-in-title, for a reasonable compensation for its time, in any enforcement of the assigned rights. If Assignors are prevented from signing the aforementioned documents in person for whatever reason, or refuse to sign, this document shall be valid as an irrevocable power of attorney to Assignee to sign such documents on Assignors' behalf.

Swedish law, excluding its conflict of law principle, shall apply to this Assignment Agreement. The courts of Stockholm, Sweden, shall have exclusive jurisdiction for any and all disputes arising from or in connection with this Assignment Agreement.

Should any provision of this Assignment Agreement be unenforceable or invalid, or should this Assignment Agreement contain a gap, the remaining provisions shall remain valid.
