RE: Acknowledgement of Receipt of Patent Deposit Material

Dear Pfizer Inc.:

The ATCC® Patent Depository received the below listed patent deposit(s) on 03MAR2023 on behalf of Pfizer Inc. and are assigned the following unofficial* patent deposit numbers:

Scientific Description and/or Proposed Taxonomic Designation	Name Designation	Patent Deposit Number	Quantity
Plasmid	2053_outerVH	PTA-127528	25 vials
Plasmid	2053_InnerVH	PTA-127529	25 vials
Plasmid	2053_FullVH	PTA-127530	25 vials
Plasmid	2053_VL	PTA-127531	25 vials
Plasmid	2053_FullVL	PTA-127532	25 vials

Following viability testing, ATCC® Patent Depository will provide the international forms BP/4 (Receipt in the case of an original deposit) and BP/9 (Viability statement). *Please be advised that the deposit date and patent deposit number(s) will become official only subsequent to the delivery of these international forms. Until such time, ATCC® Patent Depository does not accept any responsibility for the use of any information contained herein.

If you have additional questions or concerns, please contact the ATCC® Patent Depository department at PatentDeposit@ATCC.org.

Sincerely,

ATCC® Patent Depository
