

ASSIGNMENT

We,

DANIEL K. CASHION, JENNIFER R. RIGGS, JOHN SAPIENZA, and JACOB T. EDWARDS

pursuant to contractual obligations heretofore assumed by us and/or for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, do hereby sell and assign and/or confirm the sale and assignment to **Signal Pharmaceuticals, LLC**, a California corporation, having a place of business at 10300 Campus Point Drive, Suite 100, San Diego, CA 92121, and its successors, assigns and legal representatives, of all our right, title and interest, which includes the right to and full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty, including any international convention for the protection of industrial property, in and for all countries of the world, including the United States and its territories and possessions, in and to the invention entitled:

WEE1 DEGRADING COMPOUNDS AND USES THEREOF

invented by us and described in the United States provisional Patent Applications

Application Number 63/357,449, filed 30 June 2022, and

Application Number 63/357,866, filed 01 July 2022,

including said United States provisional Patent Applications and any patent applications claiming priority from said United States provisional Patent Applications, filed in any country, and any patents which may be issued and/or granted thereon, and all divisions, continuations, reissues, reexamination certificates and extensions thereof in all countries, said interest being the entire ownership of said invention and all of said patent applications, patents (including reissue patents), extensions and reexamination certificates to be held and enjoyed by Signal Pharmaceuticals, LLC and its successors and assigns to the full end of the terms to which said patents (including reissue patents), extensions and reexamination certificates may be granted and/or issued, as fully and entirely as the same would have been held and enjoyed by us if this sale, assignment and transfer had not been made;

And we hereby agree to communicate to said assignee or its representatives any facts known to us respecting said invention, to testify in any legal proceedings, to sign and/or execute any further documents and/or instruments which may be necessary, lawful and proper in and/or for the filing and/or prosecution of all patent applications, including divisional, continuation and reissue applications, extensions and reexamination certificates and/or the granting and/or issuance thereof and/or to otherwise secure title to said invention and all of said patent applications, patents (including reissue patents), extensions and reexamination certificates in said assignee, and in general to do everything possible to aid said assignee, and its successors and assigns to obtain and enforce proper protection for said invention in all countries.

ASSIGNMENT

I,

MEEKYUM OLIVIA PIERCE

pursuant to contractual obligations heretofore assumed by me and/or for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, do hereby sell and assign and/or confirm the sale and assignment to **Bristol-Myers Squibb Company**, a Delaware corporation, having a place of business Route 206 and Province Line Road, Princeton, NJ 08543, and its successors, assigns and legal representatives, of all my right, title and interest, which includes the right to and full benefit of such priorities as may now or hereafter be granted to me by local laws or by treaty, including any international convention for the protection of industrial property, in and for all countries of the world, including the United States and its territories and possessions, in and to the invention entitled:

WEE1 DEGRADING COMPOUNDS AND USES THEREOF

invented by me and described in the United States provisional Patent Applications

Application Number 63/357,449, filed 30 June 2022, and

Application Number 63/357,866, filed 01 July 2022,

including said United States provisional Patent Applications and any patent applications claiming priority from said United States provisional Patent Applications, filed in any country, and any patents which may be issued and/or granted thereon, and all divisions, continuations, reissues, reexamination certificates and extensions thereof in all countries, said interest being the entire ownership of said invention and all of said patent applications, patents (including reissue patents), extensions and reexamination certificates to be held and enjoyed by Bristol-Myers Squibb Company and its successors and assigns to the full end of the terms to which said patents (including reissue patents), extensions and reexamination certificates may be granted and/or issued, as fully and entirely as the same would have been held and enjoyed by me if this sale, assignment and transfer had not been made;

And I hereby agree to communicate to said assignee or its representatives any facts known to me respecting said invention, to testify in any legal proceedings, to sign and/or execute any further documents and/or instruments which may be necessary, lawful and proper in and/or for the filing and/or prosecution of all patent applications, including divisional, continuation and reissue applications, extensions and reexamination certificates and/or the granting and/or issuance thereof and/or to otherwise secure title to said invention and all of said patent applications, patents (including reissue patents), extensions and reexamination certificates in said assignee, and in general to do everything possible to aid said assignee, and its successors and assigns to obtain and enforce proper protection for said invention in all countries.
