PCT Application No.: PCT/US2023/026118Filed: June 23, 2023

In Consideration of One Dollar and other good and valuable considerations, the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in the subject matter of **SALTS OF SOS1 INHIBITORS** and in the Patent Cooperation Treaty (PCT) application therefor, as well as in any foreign patent application claiming priority to this PCT application, and in the inventions or improvements of the undersigned in the subject matter of provisional application 63/355,567 filed June 24, 2022, from which the above-referenced PCT application claims priority, as well as all priority rights and rights to claim priority, are hereby assigned by the undersigned to **Mirati Therapeutics, Inc.** having offices at **3545 Cray Court, San Diego, California 92121**, and the successors, legal representatives and assigns of **Mirati Therapeutics, Inc.** (hereinafter called said Assignee).

For said considerations it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of a foreign PCT National Phase application or any divisional or continuation application thereof that said Assignee may deem necessary or expedient, and further to perform, upon such request, any and all affirmative acts to obtain foreign patents and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said considerations the entire right, title and interest in said inventions or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, and the right to file applications for patent in said Assignee's own name for said invention or improvements in each and every country of the world are hereby assigned and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee. The undersigned also further agrees, for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Letters Patent. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony.

The attorneys of record in such application for patent are hereby authorized and requested by the undersigned to insert in this Assignment the date and serial number thereof in the places provided therefor.
