

Assignment

In Consideration of good and valuable consideration provided to the undersigned by the Assignee, The University of Akron, 302 E. Buchtel Common, Akron, Ohio 44325, the receipt of which is hereby acknowledged, the undersigned by these presents hereby sold, assigned, transferred, and set over unto the said Assignee the entire right, title, and interest in and to the improvement in:

METHODS OF USING OIL AND FATTY ACID FOR PROTECTION OF SPORES AND
VEGETATIVE CELLS AGAINST EXTREME PH, SALINITY, AND
OTHER AQUEOUS-PHASE FACTORS

said invention being fully described and/or claimed in U.S. provisional patent application serial number 63/401,869 filed August 29, 2022, in and for the United States and all foreign countries and all additional and divisional applications thereof, and every priority right that is or may be predicated upon or arise from said invention and said applications, the same to be held and enjoyed by said Assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patents therefore may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And Said Assignee is Hereby Authorized to make application for and to receive Letters Patent for said invention in any of said countries of its election.

And By This Covenant The Undersigned will execute or procure any further necessary assurance of title to said invention and Letters Patent; and at any time, upon the request and at the expense of said Assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patent which may be granted therefore in said Assignee, its successors, assigns or other legal representatives and upon the request and at the expense of said Assignee, will execute any additional or divisional applications for patents for said invention, or any part or parts thereof, and for the reissue of said Letters Patents to be granted therefore, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein without further compensation, but at the expense of said Assignee, its successors, assigns or other legal representatives.

And The Commissioner of Patents is Hereby Authorized and Requested to issue any and all Letters Patents of the United States for said invention, to said Assignee.
