Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all Letters Patent to ASSIGNEE in its own name as assignee of our entire right, title and interest therein;

AND, we hereby represent, warrant, and covenant to ASSIGNEE, its successors, assigns and legal representatives, that at the time of execution of this assignment, except for any rights, titles and/or interests that have arisen to ASSIGNEE under law or that have already been transferred to ASSIGNEE, that we have not made and will not hereafter make any assignment, contract, grant, mortgage, license, or other agreement and/or understanding affecting and/or conflicting with the rights, titles, and interests conveyed herein;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention(s) and applications to said ASSIGNEE, its successors, assigns, and legal representatives, as well as to third parties at the request of ASSIGNEE, including the execution of documents (including, without limitation, petitions, specifications, oaths, assignments, disclaimers, declarations and affidavits) relating to non-provisional, substitution, continuation, divisional, continuation-in-part, reissue, reexamination, and corresponding foreign and international patent applications of the aforesaid invention(s) and applications, as requested by ASSIGNEE, and generally do everything reasonably possible to aid ASSIGNEE, its successors, assigns and legal representatives to obtain, record, maintain, and enforce full protection for the invention(s), applications and Letters Patent in all countries, but in each instance at ASSIGNEE's reasonable expense;

AND, we hereby further agree to provide documentary evidence and statements or testimony in any interference, derivation or post-grant proceeding, or other proceeding in which said invention(s) or any application or patent directed thereto may be involved;

AND, we hereby authorize ASSIGNEE or its attorneys or agents to insert the correct patent application number and filing date into this assignment, if none is indicated on the date of our execution of this assignment;

AND, we hereby authorize the Director of the United States Patent and Trademark Office and the appropriately empowered officials of all other governments to record the applications and Letters Patent and title thereto as the property of ASSIGNEE, its successors, assigns, or legal representatives in accordance with the terms of this assignment;

AND, we hereby authorize and request the Director of the United States Patent and Trademark Office and the appropriately empowered officials of all other governments to issue such Letters Patent as shall be granted upon said applications, or applications based thereon, to said ASSIGNEE, its successors, assigns, or legal representatives.

IN TESTIMONY WHEREOF, we have duly executed on the date(s) set forth below this assignment, along with ASSIGNEE's authorized representative, where each ASSIGNOR and said ASSIGNEE may execute this assignment in counterparts, in which case each executed counterpart will be considered to be an original.
