WHEREAS Alessandro Mazzacani, Paulette Greenidge, Barry Teobald, Matthew Fyfe and Oscar Barba were employed at the time of making the **Invention** by Sitryx Therapeutics Limited, 101 Bellhouse Building Magdalen Centre, The Oxford Science Park, Oxford, OX4 4GA, United Kingdom, a company incorporated in England and Wales under company number 10366466 ("**Sitryx**") and whereas the **Invention** was made in the course of employment in the United Kingdom under circumstances whereby an invention may reasonably be expected to result such that all rights in and to the **Invention** are owned by **Sitryx** by operation of law, specifically s39 of the Patents Act 1977;

WHEREAS Paolo Ricci, Carlos Turrado Garcia, Nelly Piton and Christopher Matheson were employed at the time of making the **Invention** by Domainex Limited, Chesterford Research Park, Saffron Walden CB10 1XL, United Kingdom, a company

incorporated in England and Wales under company number 04336899 ("**Domainex**") and whereas the **Invention** was made in the course of employment in the United Kingdom under circumstances whereby an invention may reasonably be expected to result such that all rights in and to the **Invention** are owned by **Domainex** by operation of law, specifically s39 of the Patents Act 1977;

WHEREAS by virtue of a Master Service Agreement between **Sitryx** and **Domainex** which was dated and effective as of 11 December 2018, the whole right, title and interest in and to the **Invention** and to the **Application** owned by **Domainex** is transferred to **Sitryx**;

WHEREAS **Sitryx** is desirous of confirming its entitlements in and to the **Invention** and in and to the **Application**.

NOW, THEREFORE, to all whom it may concern be it known that we **Alessandro Mazzacani, Paulette Greenidge, Barry Teobald, Matthew Fyfe** and **Oscar Barba** hereby confirm the ownership by **Sitryx** of the **Invention** and the **Application**, whereby said ownership by **Sitryx** is derived by operation of law, and we hereby confirm the transfer of the right to claim priority from the **Application** in respect of any subsequent applications, and the rights in and to any subsequent application derived therefrom including any divisional application, continuation or continuation in part application, Supplementary Protection Certificate, extension, or re-issue thereof and the like, to **Sitryx**;

NOW, THEREFORE, to all whom it may concern be it known that we **Paolo Ricci, Carlos Turrado Garcia, Nelly Piton** and **Christopher Matheson** hereby confirm the ownership by **Domainex** of the **Invention** and the **Application**, made in the course of employment in the United Kingdom by **Domainex**, whereby said ownership by **Domainex** is derived by operation of law, and we hereby confirm the transfer of the right to claim priority from the **Application** in respect of any subsequent applications, and the rights in and to any subsequent application derived therefrom including any divisional application, continuation or continuation in part application, Supplementary Protection Certificate, extension, or re-issue thereof and the like, to **Domainex**;

AND **Domainex** through its authorised official in turn hereby confirms the ownership by **Sitryx** of its whole right, title and interest in all countries in and to the **Invention** and in and to the **Application** and hereby confirms the transfer of the right to claim priority

in and to the **Application** and hereby confirms the transfer of the right to claim priority from the **Application** in respect of any subsequent applications, and the rights in and to any subsequent application derived therefrom including any divisional application, continuation or continuation in part application, Supplementary Protection Certificate, extension or re-issue thereof and the like, to **Sitryx**, and **Domainex** through its authorised official hereby authorises and requests any patent arising therefrom, in all countries, be issued to **Sitryx**;

AND we the **Inventors** for ourselves and our respective executors and legal representatives and **Domainex** through its authorised official hereby agree to provide information and to assist with reasonable requests (at the sole expense of **Sitryx**) to execute and deliver any and all other instruments in writing, and any and all further acts, applications, papers, affidavits, assignments and other documents which may be possible and are necessary or desirable to more effectually secure to and vest in **Sitryx**, its successors and assigns, the whole right, title and interest in and to the **Invention** and the **Application**;

AND WE Sitryx through our authorised officials hereby accept assignment of the **Invention** and the **Application**;

IN WITNESS whereof, we the **Inventors**, **Domainex** through its authorised official and **Sitryx** through its authorised official hereunto set their respective hands:
