

Trade Marks Act
Trade Marks Rules, 2001

Form TM 1

THE TRADE MARKS REGISTRY

(Rules 5, 5A and 17)

*Application to register a trade mark,
(including certification & collective marks)*

*Jamaica Intellectual Property Office
Ground Floor, JAMPRO Building
18 Trafalgar Road, Kingston 10*

1. Your reference or name of mark **19/01/2026/FOGADALEY/ WD (and logo)**

2. Representation of the mark

3. If the mark is not a word or a picture please indicate here (for example 3-dimensional)

N/A

4. If the application is for a series of marks, indicate how many marks in the series

N/A

5. If this application claims priority, indicate the priority from overseas application date(s) claimed, the country and the number

N/A

6. List the classes in consecutive numerical order and list alongside each class the specific goods or services appropriate to that class

If the space provided for the specification of goods/services is insufficient, then please continue the list on the pre-printed continuation sheets.

List the classes in consecutive numerical order and list alongside each class the goods of services appropriate to that class.

Class Number	List of Goods/Services	Being used/Bona fide intention to use
Class 06	Please see attached.	Bona fide intention to use
Class 09	Please see attached.	Bona fide intention to use
Class 14	Please see attached.	Bona fide intention to use
Class 16	Please see attached.	Bona fide intention to use
Class 18	Please see attached.	Bona fide intention to use
Class 21	Please see attached.	Bona fide intention to use
Class 25	Please see attached.	Bona fide intention to use
Class 28	Please see attached.	Bona fide intention to use
Class 35	Please see attached.	Bona fide intention to use
Class 37	Please see attached.	Bona fide intention to use
Class 38	Please see attached.	Bona fide intention to use
Class 41	Please see attached.	Bona fide intention to use
Class 42	Please see attached.	Bona fide intention to use

7. Full name, address, Taxpayer Registration Number (TRN) (in the case where the person is resident in Jamaica) and postal code of the applicant

Proprietor: Western Digital Technologies, Inc.
Address: 5601 Great Oaks Parkway
San Jose, California 95119
United States of America

Nationality of the applicant:

If the applicant is a corporate body,

give the country or state of incorporation

United States of America

8. Name of agent (*if applicable*)

FOGA DALEY
ATTORNEYS-AT-LAW
PATENT & TRADE MARK AGENTS

'Address for service' in Jamaica

to which all correspondence should be sent

7 STANTON TERRACE, KINGSTON 6
SAINT ANDREW, JAMAICA

9. Is this application for:

(a) a regular trade mark

10. Indicate any limitations (including colour) or disclaimers

N/A

11. I hereby request an expedited examination YES ☐

NO ☐

NO

I hereby declare that, as indicated above, the trade mark is being used by the applicant or with his or her consent, in relation to the goods or services stated or there is a bona fide intention that it shall be so used.

Signature

Name (block capitals) **FOGA DALEY PER: DIANNE DALEY MCCLURE (2667)**

State number of any sheets attached to this form

Description of Goods and Services

Class 06

Personal identification tags of metal; non-luminous and non-mechanical metal signs; trophies of common metal; metal hardware, namely, general use wall and ceiling mounts for audio, video or computer equipment.

Class 09

Computer disk drives and computer memories for network attached storage devices for file sharing and cloud backup; computer disk drives sold blank or with data encryption, utility, and management software; computer hardware and downloadable computer software for managing data storage; computer hardware; computer memories; computer peripherals; disk drives for computers; downloadable computer software for accessing video and data stored on distributed computer storage devices; downloadable computer software for computer system analysis and optimization; downloadable computer software for encrypting data; downloadable computer software for managing data and data storage, for cloud-based network storage, and for use in accelerating the performance and scalability of computing platforms; downloadable computer software for the synchronization, back-up, and encryption and decryption of digital files; downloadable software for mobile devices for computer system analysis and optimization; electronic memories sold blank or with data encryption, utility, and management software; electronic memories; hard disk drives sold blank or with data encryption, utility, and management software; hard disk drives; memory cards sold blank or with data encryption, utility, and management software; semiconductor memory devices; carrying cases for computer hardware; Cases for mobile phones; Protective covers and cases for smartphones, tablet computers, and data storage devices, namely, solid state drives and blank usb flash drives; Protective covers and cases for computer hard drives and cell phones; headphones; earbuds; electronic docking stations; electronic data storage; blank tapes for storage of computer data.

Class 14

Watches, clocks, jewelry, precious metal trophies, pins being jewelry; Key chains comprised of split rings with decorative fobs or trinkets; Key rings comprised of split rings with decorative fobs or trinkets; medals; medallions

Class 16

Cardboard boxes and packaging in the nature of packaging materials made of recycled paper, cardboard and signboards of paper or cardboard; paper notebooks and paper stationery; printed instructional and teaching materials relating to data storage; printed computer hardware reference manuals; printed computer manuals for computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; printed instruction sheets in the field of computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; stickers; writing utensils, namely, pencils and pens; general purpose plastic bags; electrostatic paper in the form of electrostatic discharge bags; paper labels; plastic bags for packing; plastic film for packaging; printed booklets in the field of computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer

disk drives, and electronic memories; printed brochures about computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; printed informational flyers featuring computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; printed informational sheets about computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; printed leaflets about computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; printed manuals in the field of computer hardware, computer data storage.

Class 18

Articles made from leather and imitations of leather, namely, leather cases and imitation leather cases, leather and imitation leather bags, pouches of leather, pouches made from imitation leather, and backpacks; carry all bags and travel bags; umbrellas; plastic luggage tags; Plastic key chain tags; rubber luggage tags

Class 21

Mugs; water bottles sold empty; insulating sleeve holders for beverage cans and bottles; sports bottles sold empty

Class 25

Clothing, namely, tops, bottoms, footwear, and headwear; Clothing, namely, jackets, shirts, sweaters, sweatshirts, t-shirts, hats, and headwear

Class 28

Video game consoles and handheld game consoles; plush toys; stress relief exercise toys; golf balls, golf tees, and golf tee markers; bean bags; puzzles; toy figures

Class 35

Online retail store services provided via a global computer network featuring computer hardware, computer storage devices, namely, blank flash drives, computer software, computer peripherals, media players and protective cases for hard drives, tablet computers, smartphones, and data storage devices, namely, external computer hard drives; charitable services, namely, organizing and conducting volunteer programs and community service projects; advertising services; business management; business administration services; providing office functions; professional business consultancy and business organization consultancy; business efficiency expert services; providing business information in the field of compilation and systemization of information into computer databases; compilation and systemization of information into computer databases; computerized file management; updating and maintenance of data in computer databases

Class 37

Installation, maintenance and repair of computer hardware, computer peripherals, computer storage devices, computer networks, data storage centers, and media players; upgrading and

updating of computer hardware and peripherals; office machines and equipment installation, maintenance and repair; consulting services in the field of physical maintenance of computer hardware, computer peripherals, computer storage devices, computer networks and data storage centers; technical support services, namely, trouble shooting in the nature of the repair of computer hardware; installation of computer systems; technical support services, namely, providing technical advice related to the installation of computer hardware and peripherals.

Class 38

Electronic, electric, and digital transmission of voice, data, images, graphics, video, signals, and messages; Computer aided transmission of information and images; Encrypted electronic transmission and delivery of recovered data; Transmission of sound, video and information from mobile phones featuring live and recorded materials; Wireless communications services, namely, transmission of graphics to mobile telephones

Class 41

Educational services, namely, conducting workshops, classes, seminars, webinars, conferences, and training services provided online from a computer network in the field of digital data storage, computer programming, the future of computing, data information systems, and data storage technology; providing online non-downloadable publications and videos in the nature of user manuals and technical white papers in the field of digital data storage, computer programming, the future of computing, data information systems, and data storage technology; providing educational information, namely, providing information relating to education services; providing online not downloadable publications in the nature of newsletters, user manuals and technical white papers in the field of digital data storage, computer programming, the future of computing, data information systems, and data storage technology; providing on-line videos, non-downloadable in the field of digital data storage, computer programming, the future of computing, data information systems, and data storage technology

Class 42

Computer services in the field of cloud computing; computer programming; computer software consultancy; data migration services; design and development of computer hardware; design and development of computer software; design, development and updating services for data hard disk drives and solid state drives; design, development and updating services for computer storage devices, namely, storage subsystems for storage and backup of electronic data either locally or via a telecommunications network, computer memories, and blank flash drives; design, maintenance, development and updating of computer firmware and software; electronic data storage; electronic storage services for archiving databases, images and other electronic data; information technology [IT] consulting services; off-site data backup; providing information relating to computer technology and programming via a website; providing technical advice relating to the operation and repair of computer hardware and software; providing technical information in the fields of computer hardware, computer data storage, information storage, computer networking and networking interfaces, disk drives, computer disk drives, and electronic memories; recovery of computer data; research and design in the field of computer hardware, computer software and software integration, computer chip hardware, microprocessors, semiconductor devices, architecture instruction for computer hardware and microprocessor, and processor and memory architectures; scientific and technological services in the nature of system analysis and optimization of non-volatile flash

memory devices, data centers, hyper-scale computer systems and cloud computing system analysis and optimization and research and design relating thereto; technical consultancy services relating to information technology; technical support services, namely, troubleshooting of data storage, data management and backup of electronic data, on-premises and in the cloud; technical support services, namely, migration of datacenter, server and database applications; troubleshooting of computer software problems; electronic storage services for archiving electronic data

Additional Representations of the Mark
