

ASSIGNMENT

WHEREAS, **Phillips-Medisize, LLC**, whose post office address is **2202 Carmichael Road, Hudson, Wisconsin 54016, USA** (hereinafter referred to as Assignor), owns or owned an interest in an invention entitled:

MEDICAL DEVICE PACKAGING AND RELATED METHODS

for which the following applications have been filed: a) U.S. Provisional Patent Application No. 63/508,812 filed June 16, 2023; (b) U.S. Patent Application No. 18/744,094 filed June 14, 2024; (c) International Application No. PCT/US2024/034116 filed June 14, 2024; (d) Argentine Application No P 24 01 01542 filed June 14, 2024; (e) Taiwanese Patent Application No. 113122174 filed June 14, 2024; and (f) _____ filed _____ (hereinafter the "Patent Rights");

WHEREAS, Phillips-Medisize, LLC owns certain right, title, and interest in and to the Patent Rights;

WHEREAS, **Regeneron Pharmaceuticals, Inc.**, having an office and place of business at **777 Old Saw Mill River Road, Tarrytown, New York 10591** (hereinafter referred to as Assignee), is desirous of securing and memorializing its entire right, title, and interest in and to this invention, the Patent Rights, the underlying inventions and/or improvements described therein, in the United States and in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, effective as of the date of the last signature below, Assignor hereby irrevocably contributes, assigns, conveys, transfers and delivers to Assignee all rights, title and interest of every kind and character throughout the world in the Patent Rights, to the full extent of its ownership or interest therein, including, without limitation, all domestic and foreign patent applications and registrations therefor (and all patents that issue therefrom and all divisions, continuations, continuations-in-part, reexaminations, substitutions, reissues, extensions and renewals of such applications, registrations and patents, and the right to apply for any of the foregoing); all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present, or future infringement damages, misappropriation or violation of rights related to the foregoing and to retain any damages arising from any such suit); and the right with respect to the Patent Rights to claim priority to any patent application or patent existing as of the date of this agreement that is related to the Patent Rights.

AND, Assignor hereby covenants that Assignor has the full right to convey the interest assigned by this Assignment, and that Assignor has not executed and will not execute any agreement in conflict with this Assignment;

AND, Assignor agrees, upon the reasonable request of Assignee, to execute documentation as necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordation of specific oaths, declarations and other documents on a country-by-country basis, to assist in obtaining, perfecting, and/or sustaining the Patent Rights. Such assistance may also include providing prompt execution of petitions, oaths, powers of attorney, declarations or other papers as reasonably necessary for filing patent applications, complying with any administrative duty of disclosure (including identification of pertinent facts and documents), and conducting prosecution, reexamination, reissue, interference or other priority proceedings, opposition proceedings, cancellation proceedings, and other administrative proceedings with respect to the Patent Rights. Assignor's agreement to render any of the foregoing assistance is subject to Assignee's payment of all reasonable out-of-pocket expenses of Assignor incurred in connection therewith.

AND, Assignor authorizes and requests that Assignee insert in the above blanks the application number and filing date of any application claiming priority to any application of the Patent Rights.
